

# Playlist Themes

Last Modified on 06/18/2025 4:19 pm PDT

With Playlist **Themes**, you can customize the design of the Playlist Share Pages you send out from your DISCO. Themes are great for promo, such as when sending out an Album release, or if your business has multiple brands, labels, or Catalogs.

## At a glance

By default, if you don't select a Theme for your Playlist, the Share Page will show your company logo and the default background:

Themes let you change the background, the logo, or both!

## Creating a Theme

There are three ways to create a new theme:

- from your account settings
- from Playlist Settings
- when editing your Playlist

## From your account settings

1. In the top-left corner of your DISCO, click on your DISCO Business Name to open the menu.
2. Select **Settings and Account**.

3. Under **WorkspaceSettings**, select **Themes**.

4. Click the + in the top right corner to create a new Theme.

5. Add a **Name**, **Background Image**, and **Logo**.
